Academic Requirements

In order to apply to the CFGS in you must prove that you have finished Baccaureate (or equivalent) or the CFGM in Circus Performance, or having taken and passed the official Access Test for higher education courses. Please enquire in the office for corresponding homologation fee.

Copies of original documents are valid for the audition registration process but at the time of formalizing your place in the course only originals or legal/certified copies will be accepted.

Students that have carried out their education in Spain

Photocopy of the Bachillerato Certificate or equivalent (please tick the boxes that apply)

Certificate that proves having passed CFGM in "Circus Performance"

Certified proof of having passed the official access Test to higher education/vocation courses (CFGS)

Students that have carried out their education abroad

The process of homologating the Baccaureate degree requires the original grade papers from the 11th and 12th year of schooling and the original copy of the Baccaureate diploma.

If you have carried out your education in France, the homologating process requires your Seconde certificate and the grades from Première y Terminale as well as the Baccalauréat title. If you have studied in Italy, you will need pagelle di Quarto e Quinto anno and the Maturità Certificate.

If these documents are NOT written in Spanish, French, English or Italian language, you have to obtain an official translation. The legal translation must be carried out by someone on this [list](#).

In the event of the documents NOT having been issued within the EU, it is necessary to obtain the Hague Apostille through the relevant authorities in your country. The Hague Apostille allows documents issued outside the EU to be legalized in the EU.

The CAC Rogelio Rivel will be in charge of starting the homologation process while you are doing the auditions. If you are selected we will not be able to register you (and you will lose your place) if you do not provide us with the original documents as we will not be able to start the homologation process.

If you have any question about this process, please do not hesitate to enquire. (please tick the boxes that apply)

Original grade certificates from the 11th and 12th year of education and Baccaureate (or equivalent) Certificate

If required:
